

Welcome players to the Jenkins Cup. The Jenkins Cup is a yearlong point race similar to the Fed Ex Cup in Golf. Over the stretch of 4 tournaments players will receive points for how they perform in the tournaments and their dedication to attending the tournaments. At the end of the tournament season, we will crown one Jenkins Cup Champion in each division. The champions will receive a coveted green jacket and big cash prizes.

## **Rules:**

1. The tournaments are played under the BCA 8 ball Rules with some minor changes that will be announced at the start of each tournament.
2. Must have a Fargo rating or be a Jenkins Music player to qualify for each tournament.
3. Once you start the season in a division you will be able to continue to play in that division even if your Fargo goes above the cap. The committee always has the option to move a player.
4. Unsportsmanlike actions will result in immediate removal from tournament play and you will forfeit all points from current tournament and previous ones.
5. Any other questions please contact Jenkins Music at (307)350-2780

## **Scoring System**

(Points carry over from tournament to tournament)

- Simply playing in the tournament each player receives +50 pts
  - Making the finals (Top 3 not included) +10 pts
    - Third Place +20
    - Second Place +30
    - First Place +50
